

At Veritas Primary Academy, we believe that children learn best when they are engaged, active and having fun. Our vision is to inspire every child to develop a lifelong love of physical activity through enjoyable, inclusive and high-quality Physical Education.

We provide a broad and progressive PE curriculum that supports all children to develop their physical skills, confidence, resilience and teamwork. We challenge every pupil to achieve their personal best while ensuring that all lessons are accessible and inclusive, enabling every child to experience success.

All pupils receive two PE lessons each week: one lesson taught by our PE Lead and one lesson taught by their class teacher. This approach ensures high-quality teaching, curriculum progression and opportunities for children to apply and develop their skills across a range of physical activities.

At Veritas, we are committed to providing equal opportunities for both boys and girls to participate, compete, lead and succeed in sport. We believe that representing the school is a valuable experience and, wherever possible, we strive to provide opportunities for as many children as possible to take part in competitions, festivals, leadership roles and sporting events.

Through PE, we aim to develop confident, active and healthy individuals who demonstrate respect, determination and a positive attitude towards physical activity. We want every child to leave Veritas with the skills, knowledge and enthusiasm needed to enjoy an active lifestyle both now and in the future.

Through PE, we encourage all children to SOAR by being Safe, taking Ownership, showing Aspiration and demonstrating Respect both on and off the field.

Our Vision for PE
